Packing List

NORTHWOODS CANOE TRIP

Please note that Camp will provide canoes, tents, cooking tools, cutlery, and all other major gear for the trip. This list includes required gear (items you will regret not bringing) as well as some optional items that will improve your experience. *We ask that campers are intentional in their packing to ensure they have the best possible experience.*

TRIP TIP: NO COTTON

Please ensure that NONE of your clothing is cotton. Cotton does not dry easily, gets heavy when wet, and makes for poor tripping clothes.

TRIP TIP: SHOES & RAIN GEAR

The most important items for a trip are good shoes and a raincoat. If you purchase footwear for the trip, please wear them for a while before leaving to prevent blistering on the trip. A good raincoat will make or break your trip by keeping you dry and warm on long days!

TRIP TIP: PURCHASING GEAR

Tripping items can be purchased from stores including MEC, SAIL and Canadian Tire.
